The Nassau County Village Officials Association (NCVOA) is a not-for-profit organization comprising and representing all of Nassau County's 64 villages with 450,000 residents. It was created for the purpose of encouraging and stimulating cooperation among its member villages for their mutual benefit and welfare. While the NCVOA is not a municipal organization, it strives to meet the highest ethical standards and is sensitive to the legal and ethical restriction of its member villages. To that end, the NCVOA is dedicated to providing village officials with a forum for exchanging ideas and experiences in the administration of their municipal duties; developing educational programs and conferences to assist village officials with implementing their civic responsibilities; studying and discussing various activities and actions that will benefit the public safety, health and welfare of our member villages governed by these officials; and investigating and discussing the most efficient means and methods of village government.

Participation as a Friend of the NCVOA is intended to further the goals of the NCVOA. Participation is subject to the approval of the Executive Board of the NCVOA and its opinion that each Friend of the NCVOA's purpose, business and activities meets its standards and the purposes of the NCVOA. Participation may be revoked at any time by the Executive Board for any reason. Friends of the NCVOA are cautioned that participation confers upon them no special consideration by any member village.

The rate for participation is $1,500 per year which runs from April 1 through March 31. However, if you join after September, the rate for the balance of the year will be $750.
